Lesson Study

Planning Phase

Research Lesson

Post-Lesson Activities

Discuss Long Term Goals for Students' Academic, Social and Ethical Development

Choose Content Area and Unit Discuss Learning Goals for Content Area, Unit and Lesson

Plan Lessons(s) that Foster Long-Term Goals and Lesson/Unit Goals

RESEARCH LESSON

Actual classroom lesson; attending teachers study student thinking, learning, engagement, behavior, etc.

Discussion of Lesson

Discuss research lesson.

Focus on evidence of
whether the lesson
promoted the long-term
goals and lesson/unit goals.

Consolidate Learning

Write report that includes lesson plan, data, and summary of discussion.
Refine and re-teach the lesson if desired. Or select a new focus of study.
